Official's Log Sheet – Route (Cross-State etc)

This form must be submitted within 14 days of the completion of the record attempt

(This form may be copied; riders/officials may also generate their own computer spreadsheet.)

A WUCA Official must update this log at the start, approximately every hour or every 10-15 miles / 16-24 kilometers (more waypoints are better) and at the finish. Use cross streets, city signs, landmarks, or other visible features as reference points — please be as specific as possible. Use the odometer reading from the pace vehicle if available, otherwise use map mileage.
